BRIGHTON LIVE STOCK.

Large Supply of Choice Steers-Prices Were Inchunged.

Boston, March 31-An amountly large number of steers of choice quality were ld at the Brestock unrket at Brighton stockyards scategiay. Prices vere unchanged, however. There was a seavy run of calves, for which Θ_{ij} contains per pound was the top price. Trade in the other varieties of stock was dull. one pair of the 10 steers and exen on the market weighed also and brought prices are firmly held. Western tur \$75 a hundredweight. Five and one-half cents a pound was paid for pair weighing 3.540. A number of pairs weighing from 2,500 to 0,000 brought five ents. Prices ranged down to \$150 a undredweight. The number of beef cows and butte

sold was smaller than usual. Four conts pound was paid for about to bulls weighing from 1,300 to 1,400. Several extra fancy cows brought four cents also, but the range of prices for the larger part of the 120 on the market was from 2 to 314 cents per pound one belogna, weighing 550, brought \$1.75 a hundredweight.

The average price per pound for the 444 calves that changed hands was 615 cents. A few very fancy animals brought cents, and a number of inferior grades 6 cents. The drop of \$2 a cent a pound in the last two weeks is attributed to the seasonable decrease in the price of

Thirty-six hogs were sold, a larger number than for a number of weeks.
